§ 520.409 When will authority to pay apprentices special minimum wages become effective and what is the special minimum wage rate?

(a) An apprenticeship program which has been registered with a recognized apprenticeship agency shall constitute a temporary special certificate authorizing the employment of an apprentice at the wages and under the conditions specified in such program until a special certificate is issued or denied. This temporary authorization is, however, conditioned on the requirement that within 90 days from the beginning date of employment of the apprentice, the employer or the apprenticeship committee shall send one copy of each apprenticeship agreement, with evidence of registration, to the appropriate Regional Office of the Wage and Hour Division.

(b) The wage rate specified by the apprenticeship program becomes the special minimum wage rate that must be paid unless the Administrator issues a certificate modifying the terms and conditions of employment of apprentices at special minimum wages.

§ 520.410 How long does a messenger, learner, or apprentice certificate remain in effect?

(a) Messenger and/or learner certificates may be issued for a period of not longer than one year.

(b) Each special apprentice certificate shall specify the conditions and limitations under which it is granted, including the periods of time during which subminimum wage rates may be paid pursuant to a registered apprenticeship program.

(c) No certificate may be issued retroactively.

(d) The Administrator may amend the provisions of a certificate when necessary to correct omissions or defects in the original certificate or reflect changes in this part.

§ 520.411 Does a certificate authorizing payment of subminimum wages to messengers and/or learners remain in effect during the renewal process?

(a) Application for renewal of a messenger and/or learner certificate shall be made on the same form as described in this section and employees shall be advised of such renewal application in the same manner as explained in § 520.405. No effective messenger and/or learner certificate shall expire until action on an application for renewal shall have been finally determined, provided that such application has been properly executed in accordance with the requirements, and filed with and received by the Administrator not less than fifteen nor more than thirty days prior to the expiration date. A final determination means either the granting of or initial denial of the application for renewal of a messenger and/or learner certificate, or withdrawal of the application. A ''properly executed application'' is one which contains the complete information required on the form, and the required certification by the applicant.

(b) A renewal certificate will not be issued unless there is a clear showing that the conditions set forth in section 520.404 of this part still prevail.

§ 520.412 What records, in addition to those required by Part 516 of this chapter and section 520.203 of this part, must I keep relating to the employment of messengers, learners, or apprentices under special certificate?

(a) Each worker employed as a messenger, learner, or apprentice under a certificate shall be designated as such on the employer's payroll records. All such messengers, learners, or apprentices shall be listed together as a separate group on the payroll records, with each messenger's, learner's, or apprentice's occupation being shown.

(b) At the time learners are hired, the employer shall also obtain and keep in his/her records a statement signed by each employee showing all applicable experience which the learner had in the employer's industry, including vocational training, during the preceding three years. The statement shall contain the dates of such previous employment, names and addresses of employers, the occupation or occupations in which the learner was engaged and the types of products upon which the learner worked. The statement shall also contain information concerning pertinent training in vocational training schools or similar training facilities, including the dates
